The Annual "Starvin' for Justice" Fast and Vigil to Abolish the Death Penalty protest is a four day liquid-only fast and vigil to mark the anniversaries of the historical 1972 Furman and 1976 Gregg Supreme Court decisions around the death penalty. Participants in the annual event include **exonerated death row prisoners, murder victim family members, death row family members, and various leaders in the national movement to abolish the death penalty.**

This year, June 29, 2017 marks the 45th anniversary of the Furman v. Georgia decision in which the U.S. Supreme Court invalidated all death penalty laws in the United States, finding capital punishment to be applied in an arbitrary and capricious manner. July 2nd marks the 41st anniversary of the 1976 Gregg decision, which upheld new state death penalty laws and allowing the resumption of executions. A special rally and media availability will be held at noon on July 2nd to mark these, and other court rulings, as part of the Annual Fast & Vigil to Abolish the Death Penalty at the U.S. Supreme Court.

This is the 24th consecutive year that the Abolitionist Action Committee will hold its annual Fast and Vigil between the dates of these two landmark decisions. Activists, many of whom are fasting the entire four days, are traveling to Washington D.C. from across the United States and beyond.

We can arrange interviews with activists from your specific state or region. Contact [abe@abolition.org](mailto:abe@abolition.org) or at 800-973-6548 with your request.

Highlights of this **highly visual and interactive annual event** include live music and evening teach-ins by death row exonerees, murder victim family members, death row family members, and noted activists, clergy and scholars. Please see details at <http://www.abolition.org/fastandvigil/schedule.html>

**RAIN ALERT:** In the event of rain or significant threat thereof, evening events requiring amplification will take part inside the United Methodist Church Building, immediately adjacent (across Maryland Ave. on 1st St.)

The Abolitionist Action Committee is an ad-hoc group of individuals committed to highly visible and effective public education for alternatives to the death penalty through nonviolent direct action.
